2024 DAW Awards Call for Nominations

The 2024 Defense Acquisition Workforce Awards Call for Nominations was issued on March 11, 2024. **Nomination packages for the Individual Achievement Award are due to achievement.award@dau.edu by August 30, 2024.** Winners will be recognized in an awards ceremony to be held in late 2024.

This is a great opportunity to **motivate and retain industrious, committed personnel who have made a large impact** in terms of carrying out the Department's mission and cost savings. Access the Call for Nominations [HERE!](#)

New Learning Assets Available!

DAU continues to field credentials in a piecemeal fashion by deploying learning assets as they are ready. Once all learning assets within a credential are deployed, the credential will go live. The next batch of learning assets for credentials currently in development have been released.

DoD Hiring Campaign

The DoD is running a new recruitment campaign until April 30, 2024 that highlights the value of working for the DoD in order to attract STEM talent. LinkedIn, Reddit, Google, and Kortx are being used to reach potential candidates. Feel free to engage with the campaign on those platforms to expand the reach to additional audiences!

Discover your future in Science, Technology, Engineering and Mathematics

Join our 300,000 STEM civilians working at the forefront of cutting-edge technology, and use your expertise to propel groundbreaking discoveries and engineer solutions to global challenges.
